Parkway Construction and Architecture Debuts in BD+C's 2024 Giants 400 Report with Top Industry Rankings

Lewisville, TX – Parkway Construction and Architecture is proud to announce its significant placements in Building Design+Construction's (BD+C) [2024 Giants 400 Report](#), debuting among the nation's top architecture, engineering, and construction firms. With recognition across multiple sectors, Parkway's rankings reflect its expertise in delivering high-quality projects nationwide.

Parkway's 2024 BD+C Giants 400 Rankings:

- **#6 in Retail Construction** – Parkway emerges as a **leader in retail** construction, ranking among the top firms nationwide. Our proven ability to build large-scale retail environments, from entertainment complexes to restaurants and shopping centers, has solidified our position as an industry frontrunner.
- **#49 in Retail Architecture** – Parkway's **design expertise** in the retail sector has earned national recognition, showcasing our ability to create innovative, functional spaces that enhance the customer experience.
- **#38 in Hospitality Construction** – Parkway's **experience in hospitality projects**, including hotels and resorts, has positioned us among the most trusted builders in the sector.
- **#131 in Hospitality Architecture** – This ranking highlights Parkway's **commitment to design excellence** in the hospitality industry, where guest experience and aesthetic appeal are key.
- **#30 in Senior Living Construction** – Parkway is recognized for its **dedication to senior living projects**, creating communities that are both functional and welcoming for residents.
- **#78 in Senior Living Architecture** – Our architectural team has been acknowledged for its **thoughtful design approach** to senior living facilities, prioritizing comfort, accessibility, and innovation.
- **#186 among Top Architecture Firms** – Parkway's architecture division has earned a place among the **largest architecture firms nationwide**, a testament to our growing influence in the design space.
- **#94 among Top Contractors** – As a **nationally ranked general contractor**, Parkway continues to deliver complex projects with precision, reliability, and a commitment to excellence.

“This is Parkway’s first year participating in BD+C’s Giants 400 Report, and we’re thrilled to be recognized among the best in the industry,” said Ryan Elmer, CEO of Parkway Construction and Architecture. “These rankings validate the hard work of our teams and our continued dedication to building high-quality spaces across multiple industries.”

Parkway C&A, LP, established in 1981, offers a comprehensive range of **integrated services**, including commercial construction, architecture, site investigations, value engineering, permitting, and preconstruction services. Licensed in 49 states, Parkway has completed over 6,000 projects across various sectors, including retail, hospitality, senior living, entertainment, and industrial.
